

3<sup>rd</sup> September 2010

Dear All,

I thought I would write and say how much the staff and I are looking forward to welcoming you all back to school on Tuesday, 7<sup>th</sup> September at 8.30am. We will start with registration and then we will all meet for assembly, followed by House meetings and a Form period.

Just a reminder, the A30 end of the Bagshot Road is being 'dug up' at present and there may be delays first thing in the morning.

Those Seniors who did not hand their locker keys back at the end of the Summer please remember to bring the keys with you. No makeup is allowed for those in Year 9 or below and discrete make-up only for those in year 10 and above. No one under Year 12 should be wearing nail-polish.

On Wednesday we will be having a 'whole school' Maths Day. This will involve all the children and all the staff and will show them in how many different ways maths is used.

For girls in Year 10 and above a make up lesson will be held on Thursday lunchtime to teach you how to apply 'discrete' make-up if you wish to wear it. Please bring your make up bag containing concealer, blush, mascara and eye line pencil.
